ACM CHAPTER

ACM's Professional and Student chapters worldwide serve as hubs of activity for ACM members and the computing community at large. They provide seminars, lectures, learning forums and networking opportunities with peers and experts across the computing spectrum.

MISSION AND VISION OF ACM CHAPTER

Mission: To Become a Leading Association to provide learning opportunities for students through various activities to achieve technical expertise.

Vision: Promoting & Enhancing knowledge & innovation amongst our students and making them more aware of IT industry for excellence in their career.

GEEKSFORGEEKS STUDENT CHAPTER (GFG)

GeeksforGeeks student Chapter are university based community chapters for students interested in Computer Science and want to make their career in this field. By joining a GeeksforGeeks student Chapter, students grow their knowledge in a peer-to-peer learning environment and build effective and optimised solutions for local businesses and their community.

OBJECTIVES OF GEEKSFORGEEKS (GFG):

● GeeksforGeeks student Chapters will provide students with various events and webinars on coding or placements.

● Provide internship opportunities at GeeksforGeeks.

● Students get exclusive discounts on GFG courses.

● Provide an opportunity to organize your competition on a PAN India level.

● Help students to grow a network among 145+ colleges.
