CHANDIGARH ENGINEERING COLLEGE
CGC, LANDRAN, MOHALI
Building Careers. Transforming lives.

Chandigarh Engineering College-CGC
Landran, Mohali, Punjab

Sr.No	Name of Industry	Effective Since	Type of Industry	Lab Associated	Objective's	Summary of Events	Effectiveness
1	**Texas Instruments** TEXAS INSTRUMENTS	**04.04.2016**	Production & Supplier of Kits	Research Lab/Project Lab -1	To motivate students to learn latest tools & participate in competitions	Competitions , Expert talk , Workshop	Participated in various competitions
2	**Advance Technology** AdvanceTech	**11.09.2013 , renewed on 7.12.2021**	Production & supplier of Kits	Embedded System Lab	To equip stakeholders with Knowledge	Expert talk , Training on Kits	Students were trained on various technological tools.
3	**Eureka Electrosoft Solutions Private Limited** EESPL	**23.11.2016**	Training with Software &Hardware Solutions	Machine Vision Lab	To provide excellence in the latest trends of technology	FTCP's Training's, Expert talk.	Students were disseminated with knowledge on latest trends of technology
4	**Vesta Electrocontrols** ESTA ELECTROCONTROL	**13.03.2019 , renewed on 10.12.2021**	Production & Training	-----	To facilitate students with modern tools & technology	Training , Expert talk	Students were made aware of industrial automation & IOT
5	**Fly X Technologies** FLY-X AEROSPACE	**28.03.2019**	Production	Drone Lab	To learn about unmanned aerial vehicles & their use in industry , society & as an individual	Workshop, Expert talk , Product Design	Robotic Drones / Products are developed by students
6	**TCIL-IT** ICS ISO 9001:2015 Certified Group Consultancy | Training | Development TCIL-IT CHANDIGARH	**14.02.2022**	Telecom Consultant & Training	-----	To provide knowledge in the field of telecommunication & IOT	Expert talk , Workshop	Students were made aware about design told & IOT

7	**Wonder System Private Limited**	**17.03.2022**	Production & Training	------	To excel students in the field of Industrial automation , Process & control	Industrial Visit & Workshop / Expert talk	Students will be made aware about industry 4.0 & IOT
8	**Amber group Enterprise India Limited**	**29.09.2023**	Amber Enterprises India **Ltd is a prominent solution provider for HVAC Industry in** India **and Industrial**	.....	Industrial Process & Control	Industrial Visit & Expert talk	Students will made aware about core electronic Products & designing
9	**Core Champ Technologies Private limited , Delhi**	**23.02.2023**	Core champ Works on AI , Robotics & IOT & many other cutting edge technologies	Advanced Antenna & Radiating Lab	Robotics & Embedded system	Training , Workshop & Expert talk	Students will be made aware about Ai & Robotics & Embedded system
10	**DigitoadTecnologies Bengaluru**	**22.8.23**	**Digitoad is a core Embedded system &software based company provide solutions for power Lab ecosystem**	Lab View	Software	Training and workshop	Students will be made aware about softwares
