**CHIEF LIBRARIAN'S
MESSAGE**

Library acts as a reservoir of resources for students and staff for their scholarly research and academic development. It functions as a repository constituent of the institute to support the programs run by the institution and satisfy the hunger of knowledge seekers. The Objective is achieved by Libraries, when library professionals can mobilize all the resources available to them in an effective and efficient manner. We make sure that our dedicated library staff assist you in every way to ensure that you reach your full potential by providing the right materials for you.

Good Luck in your studies and looking forward to your library visit.

The online library provides live access to CHANDIGARH ENGINEERING COLLEGE-CCG LIBRARY Collection on the institution's website <http://cgc.edu.in/>. Students and Faculty can get online information about Books/CD's/E Books/ Journals/ E journals dealing with various subjects. The library works on LIBSYS software. The library has 5 CCTV cameras to keep a close watch on the users so as to minimize the losses and mutilation of reading material. Our college library is an institution within the institution. The young minds are exposed to ever-expanding fields of knowledge that lie dormant in books and journals. An endeavor is to make them library-minded. Ours is a functional, well-equipped, and fully computerized library having a proud collection of 48089 books on its open shelves. In addition to this collection, the library also subscribes to E - Resources including e books and e journals.
